Before KRISTA ZELE *Deputy Chief Appeals Administrator*
ZELE, *Deputy Chief Appeals Administrator*.

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on July 24, 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

APPEAL BRIEF, HEADINGS

A review of the file indicates that the Appeal Brief filed July 22, 2005 does not comply with 37 CFR § 41.37(c) because it does not contain all required heading items. Specifically, 37 CFR § 41.37 (c)(1) requires the following heading items in the following order:

- (i) *Real party in interest.*
- (ii) *Related appeals and interferences.*
- (iii) *Status of claims.*
- (iv) *Status of amendments.*
- (v) *Summary of claimed subject matter.*
- (vi) *Grounds of rejection to be reviewed on appeal.*
- (vii) *Argument.*
- (viii) *Claims appendix.*
- (ix) *Evidence appendix.*
- (x) *Related proceedings appendix.*

Upon an in-depth review of the Appeal Brief indicates that the following sections are missing from the Appeal Brief filed July 22, 2005 and/or are not complete:

- 1) “*Evidence appendix* ”,

2) “*Related proceedings appendix*”,

A substitute brief that is in compliance with § 41.37(c) is required. *See also Manual of Patent Examining Procedure* (MPEP) § 1205.02 (8th ed. Rev. 6, Sept 2007) for details.

APPEAL BRIEF, SUMMARY OF CLAIMED SUBJECT MATTER

Appellant filed an Appeal Brief dated July 22, 2005. The Appeal Brief is not in compliance with 37 CFR § 41.37(c) effective September 13, 2004.

According to 37 CFR § 41.37(c) (v), an Appeal Brief must include the following:

(v) ***Summary Of Claimed Subject Matter.*** A concise explanation of the subject matter defined in each of the independent claims involved in the appeal, which must refer to the specification by page and line number, and to the drawing, if any, by reference characters. For each independent claim involved in the appeal and for each dependent claim argued separately under the provisions of 37 CFR 41.37(c)(1)(vii), every means plus function and step plus function as permitted by 35 U.S.C. 112, sixth paragraph, must be identified and the structure, material, or acts described in the specification as corresponding to each claimed function must be set forth with reference to the specification by page and line number, and to the drawing, if any, by reference characters.

The “Summary of claimed subject matter” appearing on pages 2 and 3 of the Appeal Brief filed July 22, 2005 is deficient because it does not

separately map independent claim 1 to the specification. Correction is required.

MPEP § 1205.03 states in part:

(B) When the Office holds the brief to be defective solely due to appellant's failure to provide a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v), an entire new brief need not, and should not, be filed. Rather, a paper providing a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v) will suffice. Failure to timely respond to the Office's requirement will result in dismissal of the appeal. See MPEP § 1215.04 and § 711.02(b).

CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

- 1) to hold the Appeal Brief filed July 22, 2005 defective;
- 2) for appellants to file a substitute Appeal Brief in compliance with 37 CFR § 41.37;
- 3) for the examiner to consider the substitute Appeal Brief;
- 4) hold the Appeal Brief filed July 22, 2005 defective, as required by 37 CFR § 41.37(d);
- 5) notify the Appellants to submit a "paper" which corrects the Appeal Brief's Summary of Claimed Subject Matter under 37 CFR §41.37(c)(1)(v);
- 6) acknowledge and consider any "paper" submitted by Appellant to correct the Appeal Brief;
- 7) for such further action as may be appropriate.

Application No. 09/816,641

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
